FACTS ABOUT MODESTO CITY SCHOOLS

Modesto City Schools is made up of an elementary school district (grades K-8) and a high school district (grades 9-12). Both are governed by a single, seven-member Board of Education elected at large from within the high school district attendance area – approximately 168 square miles – for four-year terms of office.

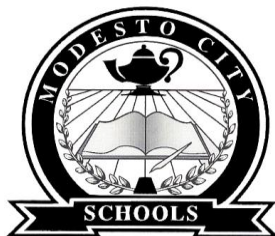

There are 22 elementary schools (grades K-6), four junior high schools (grades 7-8), seven comprehensive high schools (grades 9-12), and an extensive alternative education program within Modesto City Schools. Enrollment for the 2011-2012 school year is expected to reach approximately 29,000+ students (grades K-12, plus pre-kindergarten and adult education programs).

The District's Strategic Plan outlines the commitment to the educational achievement of every student by name, regardless of their background or circumstance. Five Essentials define what is needed to accomplish the goal of a diploma in every hand, a rewarding career in every future, a contributing member of our global society: Rigorous and Relevant Instructional System, Culture of Continuous Learning, Strong Relationships, Quality Leadership, and Shared Responsibility and Accountability.

Board of Education members encourage parents and others interested in public education to attend Board of Education meetings. More information, including meeting dates, is available on the district's website: www.monet.k12.ca.us.
