

# Student Internet Access Form

Parent request for excluding their student from accessing or having access to District provided Internet.

If you **DO NOT** want your student to have access to the district Internet, please complete and return the following form.

If you would like further information concerning Modesto City Schools Internet and Email policies, you can reference the District Board Policies related to student Internet, network and email use on the District website under the Student Internet and Email section (<http://www.monet.k12.ca.us>), or request a copy from your student's school.

Return completed form to:

Modesto City Schools Technology Center  
Attn: Student Internet Access  
1017 Reno Ave, Bldg A  
Modesto, CA 95351

Please check one of the following options:

**Remove** access to the Internet (the student will not have access to the Internet using their student account)

**Reactivate** access to the Internet (the student will be given access to the Internet using their student account)

Student's Name \_\_\_\_\_
