

# FACTS ABOUT MODESTO CITY SCHOOLS

Modesto City Schools is made up of an elementary school district (grades K-8) and a high school district (grades 9-12). Both are governed by a single, seven-member Board of Education elected at large from within the high school district attendance area – approximately 168 square miles – for four-year terms of office.

There are 22 elementary schools (grades K-6), four junior high schools (grades 7-8), seven comprehensive high schools (grades 9-12), and an extensive alternative education program within Modesto City Schools. Enrollment for the 2010-2011 school year is expected to reach approximately 29,000+ students (grades K-12, plus pre-kindergarten and adult education programs).

The District's instructional program is based on continually evaluated and renewed curriculum as well as on the nationally recognized *Fourth R: Responsibility* program. The *Fourth R* promotes academic achievement, individual responsibility, respect for others, and good citizenship at school and in the larger community.

Board of Education members encourage parents and others interested in public education to attend Board of Education meetings. More information, including meeting dates, is available on the district's website: [www.monet.k12.ca.us](http://www.monet.k12.ca.us)
