James C. Enochs High School

What is a Program Offering/Career Pathway?

- A series of classes that have an emphasis on a particular vocation/career/area of interest.
 - These classes usually satisfy a specific graduation requirement, i.e. art or science and/or they may be counted in the elective requirement for graduation credit.
 - Usually there is one class per year, sometimes there are two.
 - Will give students a good idea as to if they have a genuine interest in this field or not.
-

James C. Enochs High School

Program Offerings/Career Pathways

- **Graphic Design : Rebecca Fuentes**
 - **Pre-Vet Science : Mike Brecht**
 - **Forensic Biotech Science : Dave Menshew
Graham Tuck**
-

Graphic Design

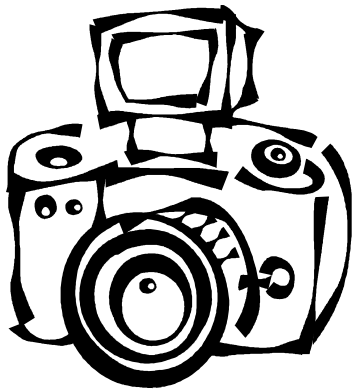

- Skills and training in design, layout, photo processing, desktop/electronic publishing, press work, and distribution and economics involved with all printed pieces.
- Courses satisfy visual/performing art and/or practical art graduation requirements.

Graphic Design

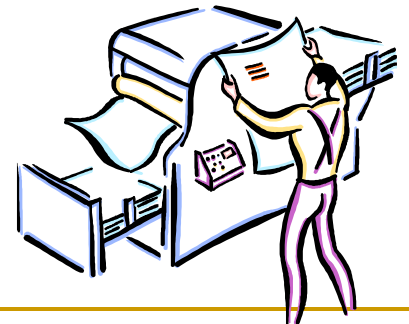

■ The Program

- 9th Grade: Introduction to Graphic Design 1-2
- 10th Grade: Electronic Publishing
- 11th Grade: Photo Capture and Manipulation
- 12th Grade: Multimedia and Animation Design

Graphic Design

- Course content is structured through lecture and laboratory experiences as they relate to individual projects.
- 2+2 Articulation Program.
- Each course builds on the previous courses taken.

Graphic Design

- Presently there is high demand for graphic design abilities in the work place
 - Students may choose to immediately go into the workforce, or they may choose to continue to further their education by taking college level courses
-

Health	World History	US History	Gov/Econ
PE	PE or Elective	Elective	Elective
Graphic Design	Electronic Publishing	Photo Capture	Animation

PRE-VET SCIENCE

- Agriculture program with a veterinary science emphasis.
- Helps prepare students for employment in the animal science veterinary field.
- Satisfies science and practical art graduation requirements.

PRE-VET SCIENCE

■ The Program

- 9th Grade: Ag Science 1-2
- 10th Grade: Ag Science 3-4
- 11th Grade: Ag Business and Chemistry and/or Ag Biology
- 12th Grade: ROP Vet Science

PRE-VET SCIENCE

- Organized instruction which prepares students for employment in agriculture, advanced vet science training, and post secondary level education.
- Courses are UC approved.
- Courses must be taken in order.

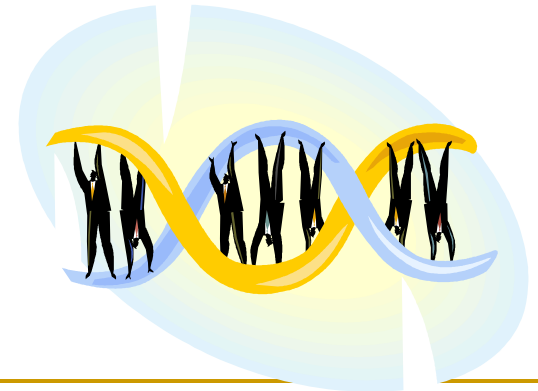

PRE-VET SCIENCE

9 th Grade	10 th Grade	11 th Grade	12 th Grade
English	English	English	English
Math	Math	Math	Math

PE	PE or Elective	Elective	Science or Elective
Elective	Elective	Elective	Elective

Forensic/Biotech Academy

- Four year program designed to teach students about the world of forensic/biotech science as it applies to current real life careers.
- Courses satisfy science and elective graduation requirements.

Forensic/Biotech Academy

- ❑ 9th graders take Pre-Academy Earth Science

- ❑ Academy begins in 10th grade
 - ❑ Students stay together as a group for Science, English, and Social Science in grades 10, 11, & 12.
 - ❑ Curriculum is consistent with non academy classes.
 - ❑ Cross-curricular activities, field trips, and guest speakers.
 - ❑ 9th and 10th grade science classes participate in forensics based labs throughout the school year.

Forensic/Biotech Science

■ The Program

- 9th Grade: Pre-Academy Earth Science
- 10th Grade: Academy Biology
- 11th Grade: Forensics/Biotech and Chemistry
- 12th Grade: ROP Biotechnology 4

Additional Science classes such as Anatomy & Physiology are taken in the 12th grade.

Forensic/Biotech Science

- Courses are structured through lecture, lab, and exploratory experiences.
- Courses must be taken in order.
- Year 1, 2, and 3 courses are UC approved.
- Year 4 is an approved research based ROP course. Anatomy & Physiology is UC approved.

Forensic/Biotech Academy

9 th Grade	10 th Grade	11 th Grade	12 th Grade
English	English	English	English
Math	Math	Math	Math
Pre-Academy Earth Science	Academy Biology	Forensics/Biotech 3	ROP Biotech 4
Health/W. Geo	World History	US History	Gov/Econ
PE	PE or Elective	Chemistry	Science or Elective
Elective	Elective	Elective	Elective

Forensic/Biotech Science

- Students may choose to continue on with post secondary level courses.
- Students may choose to immediately enter the workforce.
- Students may choose to pursue a different/related career such as medicine, food science, or public health.

James C. Enochs High School

Program Offerings/Career Pathways

- Who is eligible to take these courses?
 - Any student living within the Enochs High School attendance area who meets the designated prerequisites for each course.
 - Students living outside the Enochs attendance area (within Modesto City Schools) who apply and are accepted to Enochs High School on an Intra/Inter District Transfer.
-

James C. Enochs High School

- Attendance Boundaries

- Savage Middle School
 - About half of Ustach Middle School
 - A few from Glick Middle School and Cardoza Middle School

 - Check the Modesto City Schools Webpage for the most accurate and up to date address information.
-

James C. Enochs High School

Program Offerings/Career Pathways

- How to apply for an Intra/Inter District Transfer
 - Establish that the student meets minimum requirements:
 - Minimum 2.0 GPA
 - No unsatisfactory citizenship marks
 - No unexcused absences
 - No suspensions
-

James C. Enochs High School

Program Offerings/Career Pathways

- How to apply for an Intra District Transfer (con't)
 - Apply to Program of Interest by designated due date : [March 2, 2012 – 4 PM](#)
 - Interview (required for impacted programs).
 - Acceptance or Denial: if accepted to the program, the district *Intra/Inter District Transfer Request Form* must be filled out and submitted.
-

James C. Enochs High School

Program Offerings/Career Pathways

- ❑ Note - Program Offerings are 4-year programs
- ❑ Students accepted as Inter/Intra District transfers must always have a program offering/pathway course on their schedule
- ❑ Must re-submit IDT paperwork annually.

James C. Enochs High School

Things to remember:

- Make sure you pay attention to application deadlines [DUE DATE: MARCH 2, 2012 4PM](#)
- Make sure you turn in a ballot and registration materials into your school of attendance - in case your student is NOT accepted into a Program Offering at Enochs High School.
- 8th Grade Parent Night – February 9 at 6PM.

James C. Enochs High School

Thank you for coming!

Teachers will now be available for questions.

Applications can be picked up from Teachers or Administrators.
